Undertaking

NAME OF TRAVEL AGENCY undertakes that the conduct of our business will henceforth be governed by the terms of the Memorandum of Understanding on Approved Destination Status, by the regulations of the China National Tourism Association, and by the normal terms and conventions of international trade and commerce. We undertake to ensure that Chinese leisure group travellers visiting Canada experience high quality tours and professional services, and that all applicable laws and regulations are respected.

Furthermore, we undertake to notify the Canadian Embassy in Beijing or the Consulate General of Canada in Shanghai with 48 hours if any member of a tour group organized by our agency departs from the established itinerary, remains in Canada beyond the duration of the tour, or otherwise absconds from the tour. We undertake to ensure that members of groups organized by our Travel Agency are genuine visitors to Canada for the purposes of tourism. We understand that the Canadian Embassy in Beijing, the Consulate General in Shanghai or the China National Tourism Association may impose sanctions upon our Travel Agency if we do not abide by the terms of this undertaking.
